This is an author, title, and subject index to articles, editorials, and reviews published in *Middle East International* during 1988. All matter except the abstracts from Arab and Israeli presses and the letters which appear on the back page of each issue are represented. The numbers in bold type are issue numbers, followed by page numbers in regular type. The titles of books, films, and journals mentioned or reviewed in *Middle East International* are indexed under the headings: Books, Films, and Journals, respectively. Newspapers, position statements, and other primary source materials are indexed directly under their titles. The names of contributors of published material are printed in bold type.
